Gentlemen:

My mother, Lizzie A. Wood, holder of savings book 69613 is getting very infirm and I am taking over her affairs. I am having her various savings books made over into joint accounts and would like to have you send me the proper cards to fill out at the above address. As she is in Brookline is it necessary for her to sign this joint account card, as I have the power of attorney from her to handle all bank accounts etc. for her. This power of attorney I can send you.

Very truly yours,

HW:JG
